EDUCATION

Bachelor of Technology (B.Tech) – Electronics and Computer Science Engineering

SIES Graduate School of Technology (2024 – 2028)

CGPA: 8.62 (Sem I: 8.79 | Sem II: 8.81 | Sem III: 8.27 | Sem IV: 8.43)

Currently Pursuing

EXPERIENCE

1] Full Stack Web Developer Internship – FUTURE Interns (Remote)

Dec 2025 – Jan 2026

- Task 1-Created a personal portfolio website using HTML, CSS, JavaScript.
- Task 2- Created mini- E-commerce website for Cars&bikes
- Task 3- Worked on enhancing UI and responsiveness by AI for Flipkart

[All links of website available in LinkedIn profile]

2] Robotics & Automation – Code Alpha (Remote)

June 2026- July 2026

Completed tasks of creating Research Report and Project Report for automation (Automation System Design)

PROJECTS

1) Water level indicator

Indication of water levels for tankers, water storage tank by light indication and buzzer.

2) Smart Home Automation System

- Developed a working automation system using manual switches, sensors, Blynk mobile app, and SMS control via GSM module
- Focused on safety, automation, and energy efficiency

- 3) AWS Cloud Architecture Project (Forage)
 - Designed a simple and scalable hosting architecture on AWS
 - Learned core principles of availability, scalability, and reliability
- 4) Created Disaster Mapping Dashboard
Built a Flask-based GIS application integrating QGIS, SQLite, and ML for disaster visualization and risk prediction.

SKILLS

- technical skill (web development): HTML, CSS, JavaScript, Git & GitHub , Vercel, Responsive Web Design, UI/UX Implementation
- Cloud: AWS (Cloud Computing & Architecture)
- Programming Languages: C, Java, Python
- Teamwork, Multitasking, Problem-Solving ,Quick learner

LANGUAGES

English | Hindi | Marathi | Tamil

HOBBIES & INTERESTS

Riding, Playing Games, Robotics, Automation (IoT), System Integration
